# CREATE.ATTRACT.ENGAGE. **ORBITAL EXPRESS™ TRUSS**

The Orbital Express™ System is quite possibly the easiest Truss • This system has a set number of parts and connectors and requires NO TOOLS for assembly • This versatile system enables you to reconfigure a kit in multiple ways and combinations using the same parts • With Orbital, you can have the impact of a “new look” for every show

## ORBITAL EXPRESS™ TRUSS

The Orbital Express Truss™ System requires NO TOOLS for set up! Installation couldn't be easier; simply twist & lock. The specially designed connectors are simple to use, strong & secure. Our truss kits can be reconfigured in multiple ways using the same parts. Have a different exhibit for each show! We offer more than 60 professionally designed "off the shelf" kits for a variety of booth sizes and configurations. Custom designed configurations are also available.
