## Set-up

Unpack pieces.

1

Place the counter bottom on the ground with the face down.

2

Line up the side panel so that the back of the unit is facing the flat side of the counter bottom. Make sure hooks are on the inside.

3

Lock the side panel in place on the bottom of the counter.

4

Continue with other side.

5

Place the middle shelf into hooks on the inside of the side panel.

6

Attach unit counter top onto side panel. See step 4.

7

Slide together the pole pieces. (2 sets)

8

Slide pole into holes on the top of the counter.

9

Let poles sit in the holes of the middle shelf.

10

Place header onto poles.

11

Unit is complete.
