Testimonial from Client

We contacted NVP Exhibits earlier this year for an exhibition stand that travels well and is easy to set up, and incorporates high-quality graphics, lockable storage, product displays, a large TV and a counter top. The team at NVP Exhibits took the time to properly understand our requirements and objectives, and then suggested the appropriate exhibit solution. Beyond the design and purchase, NVP Exhibits has provided us with prompt customer service. We received fantastic feedback on our stand at the first show in Singapore and intent to use it for a number of exhibits each year in Australia and the Asia Pacific region. If you are looking for high-quality exhibition stands, coupled with in-depth industry knowledge and fantastic ongoing support, we recommend working with Gill Keinan and the NVP Exhibits team.
