

ORBITAL EXPRESS™ TRUSS

The Orbital Express Truss™ System requires NO TOOLS for set up! Installation couldn't be easier; simply twist & lock. The specially designed connectors are simple to use, strong & secure. Our truss kits can be reconfigured in multiple ways using the same parts. Have a different exhibit for each show! We offer more than 60 professionally designed "off the shelf" kits for a variety of booth sizes and configurations. Custom designed configurations are also available.
